They are also subject to the ability of the shipper to obtain the necessary man power to dig and pack material and to priorities on material and transportation which may limit, restrict and make impossible performance thereunder.

THE PRICES in this list are based upon present market and labor conditions, and are subject to change without notice. These are wholesale prices and apply only for reasle. Our prices are **lower** than most wholesale nurseries and we consider our plants **much better.** They are grown in sandy loam which makes the root development twice or three times the average size and very bushy.

Orders will be shipped Express—C.O.D. for the balance—at the time customer desires. If payment is sent in full with order—deduct 3% for cash discount and receive free packing and boxing. Orders may be called for at our nursery (on advance notice) and paid for at that time. For a 10% deposit we will book and reserve orders for Spring or Fall. However, all C.O.D. shipments must be one-fourth paid before we ship to guarantee acceptance.

SHIPPING. Customers are requested to give definite shipping instructions, otherwise we will use our own judgement but with the distinct understanding that it is without responsibility on our part. All shipments travel at the risk and cost of the purchaser. All shipments will be sent express (F.O.B., Wheaton, III., or Bridgman, Mich.) unless requested otherwise. Stock may also be called for at our nursery at Warrenville, III., by making arrangements.

BOXES AND BALES will be charged at actual cost. No charge is made where payment is made in full with order.
